Reservations & Cancellation Policy:

A memorable stay is the most important thing and our priority on top of everything. Still, your return is our main objective. Forget the check-in & check-out rules, late arrivals fees, cancellations and stay focused on how you will get the most out of your visit in Greece!

Once your booking is confirmed, we will send you the payment information and all details about your stay. In order to guarantee your stay, we will need a non-refundable 20% of the total amount to be deposited via PayPal, bank transfer or credit/debit card at least 2 months before your arrival (plus any payment process fees & charges as well as currency conversion charges if applied). Balance is due upon arrival.

Once we receive your deposit, we will forward to you everything you need to know about your retreat, transportation to and from the property, meals, activities and any other info you will need.

However, life is full of surprises & we totally understand. That said, if written cancellation is received 60 days prior to arrival, deposit will be refunded by 50% less 100 EUR administrative fee unless you want to transfer your arrival for another date within a year of your original booking (upon availability).
